

Tool Bar Installation

SearchTheArea.com Web Browser Toolbar Version 2.0
Now Available!

Our new toolbar gives you quick access to all of the areas MLS listings!
It's Safe and Simple to use! Here is a sample of what the toolbar looks like (it is reduced slightly to fit on this page) NOTE: The image below is a photo of the toolbar. Clicking on the image below will not perform a search. See the download links below the image for your free toolbar!
